## PREAMBLE

Saitsa encourages individuals with similar interests or a common goal to gather and take part in shared activities or purpose. Saitsa clubs are an avenue through which Saitsa provides support to students who wish to engage with those of similar interests. Registered Saitsa clubs are eligible for funding and awards; club Executives are also eligible for co-curricular record recognition through SAIT should they meet the requirements.

This document also lays out rules and requirements intended to minimize risk and liabilities to both clubs and the Students' Association.
