All Things Saitsa

Where to Find Us ♡

**See 'Saitsa Destination' pins on the SAIT Main Campus Map, page 2.*

1. Saitsa Resource Centre (MC107)

The Saitsa Resource Centre is our services hub. We deliver relevant services aimed at helping you reach a student-life balance. Services like: student clubs, volunteers, wellness bank program, discounted tickets, and so much more!

2. Peer Support Centre (NJ105)

The Saitsa Peer Support Centre is a student-only, safe space on campus that welcomes all SAIT students to gather, socialize and actively participate in initiatives that promote positive mental health and well-being. It is an inclusive and diverse discrimination-free space for all.

3. Governance & Advocacy (NN117)

The Saitsa Governance and Advocacy Office is your on-campus stop for everything governance or advocacy related. Interested in academic & non-academic misconduct supports,

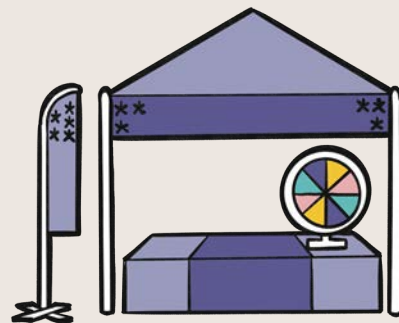

government advocacy initiatives, or becoming a director on the Saitsa Board of Directors? Stop by and speak to our team for more information!

4. Station Express (MB108)

Studying on campus late? Station Express is open late for your convenience and is a one-stop shop for chips, chocolate bars, cold drinks, healthy snacks, and direct trade coffee.

5. The Odyssey Market (NN120)

Due to the Campus Centre redevelopment, The Odyssey is now living in Senator Burns. This temporary location boasts the same student-friendly vibe you know and love, offering up high-quality, direct trade, custom roast coffee and snacks.

Welcome to Your SAIT Experience

A Message From Your President

Dear SAIT Students,

Welcome to the 2024-2025 academic year! I am Ahmad Baker, your student-elected president, and I am thrilled to kick-start this journey with you.

At Saitsa, we are a community of passionate and like-minded individuals ready to support you in every way we can. We strive to ensure you have the best possible experience while studying at SAIT and are committed to helping you succeed.

Whether continuing your academic journey or embarking on your first semester, you are already a valued member of Saitsa. As a SAIT student, you can access various resources to support your well-being and success.

This year, we invite you to immerse yourself fully in the SAIT experience. Join one of our many events or stop by the Saitsa Resource Centre (MC107) or the Peer Support Centre (NJ105). Here, you can connect with our vibrant and inclusive community, meet fellow students, and take full advantage of what Saitsa offers.

Let's make the most out of the coming year, filled with new experiences, friendships,

and achievements. Remember, we're in this together, and together, we can make this year truly unforgettable!

Warmest regards,

Ahmad Baker

A Brief History of **Tedi** *the* **Yeti**

Saitsa*

1900

A Star is Born

A very small, very cute yeti is born, but hides away from all budding civilizations, as is customary with his species. However, this Yeti is different– he is enamored with humans and spends time in the countryside, watching them from afar. He soon begins to understand their languages and ways of living.

1921

From Yeti to Tedi

The Yeti decides its finally time to live the life he always dreamed of. He is accepted as a student into recently founded PITA (the Provincial Institute of Technology and Art). He officially adopts the name "Theodore Yettison", and is soon a beloved presence on campus, affectionately known as 'Tedi the Yeti'

1922

First Student Government

Tedi helps form the first Student Government of campus. Created in order "to control activities outside of the shop and classroom." It costs to join, and this initiative "promotes literary, athletic and social activities." These are the foundations of student-led government that will go on to become Saitsa in 50 years!

1928

Big Ted on Campus

The Student Government publishes its first yearbook known as the 'Tech-Art Record'. Tedi is head of the yearbook committee, and makes sure to look very studious in his first official school photo.

1960

PITA No More

PITA is renamed to the Southern Institute of Technology (SAIT). Tedi thinks PITA sounds more delicious, but grudgingly accepts this name change.

1970

'Saitsa' is Coined

The Student Government officially takes name 'the SAIT Students' Association', aka 'Saitsa'. No thanks to Tedi who wanted to call it the "Super Happy Students Association"

1980

Campus Centre Opens

'Student Activities Building' is replaced with The Campus Centre. It becomes home to a number of Saitsa offices, including publications & the Weal, Spartacus Lounge, and the Saitsa run Friday night pubs. Tedi was often found partying at Sparty's and tearing up the dance floor on Friday nights.

1982

Missing in Action

Tedi mysteriously disappears from SAIT campus and ends all contact with his human associates. People wonder if he has given up on the human lifestyle due to his dismay with disco— or if he had perhaps fallen in love and run away with a paramour. He is deeply missed by everyone at SAIT.

1990

An Unsolved Mystery

After a rigorous search turned up no clues, the official explanation was that Tedi had returned to a life of quiet contemplation in the mountains of Banff National Park. As time passed, the last of his classmates, their children, and grandchildren, eventually graduated... Tedi the Yeti became a distant memory, with some wondering if he had ever existed at all.

2021

Changes for Saitsa

Fast forward into the new millennium, and in this year the SAIT institution announces that they will soon begin demolition on the 'Campus Centre'. Saitsa's operations and the Odyssey relocate, and the Gateway closes and becomes 'Gateway FoodTruck'

2022

Notorious T.E.D.I

It was a great surprise to all when Tedi emerged from the rubble of the Campus Centre during decommissioning. According to Tedi, he got caught snoozing in class, so he retreated to a favourite crawlspace napping spot. What was supposed to be a quick nap ended up lasting an incredible 40 years! Humans can be a very tiring species to befriend.

Present Day

As the newly crowned Saitsa Mascot, Tedi is excited to share his enthusiasm for education with a new generation of SAIT students. Unlike his distant cousin Big Foot, Tedi loves being the center of attention, so if you see him on campus, don't be shy! Tedi loves giving out high fives and hugs and is excited to be in a selfie with YOU!

Who is Saitsa*?

The SAIT Students' Association (Saitsa) is a **student-led, student-focused** organization dedicated to **enhancing the student experience**. We are governed by a Board of Directors (BOD) made up of SAIT students just like you.

Our Mission

To empower SAIT students and enrich their experience by fostering well-being, providing support, and advocating for success at every step of their academic journey.

Our Vision

A thriving, inclusive community where students achieve their fullest potential, equipped with resources, support, and opportunities that inspire growth, leadership, and excellence.

Our Business

At Saitsa, our non-profit Students' Association, the students are our cornerstone! Our foremost dedication is to their academic advancement and comprehensive well-being. The reinvestment of any surplus revenue is designated to constantly improve student experiences and the services we deliver.

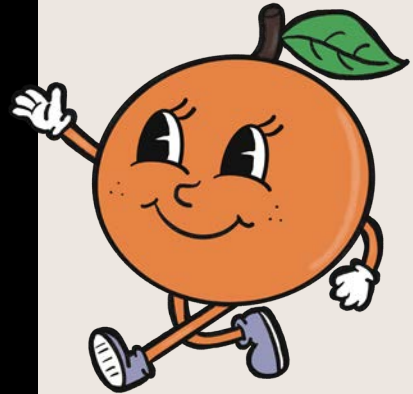

Above all, the Students' Association is here to make your experience at SAIT more enjoyable. We want to hear your concerns and your suggestions— our doors are always open.

* Saitsa.Info@edu.sait.ca

Looking Back <<

SAIT's Students' Association was founded in 1922 with 8 members to promote "intellectual and physical improvement and a better social intercourse among the student body" among its initial enrollment of 811 students. They organized a literary society, an athletic association, and biweekly debates for the students.

In 1926, the association established The Emery Weal, a monthly publication, which became the voice of the student body. The association faced various challenges, such as financial losses during the Great Depression and temporary relocation during World War II. In 1967, the Students' Council was formed to enhance communication and school spirit between students and administration.

Looking Forward >>

Today, SAIT's Students' Association offers various services, such as the Student Health and Dental Plan, Saitsa Student Clubs, the Resource Centre, Peer Support Centre (+ many more), and organizes events and initiatives to create a vibrant and inclusive student community. We are comprised of a Board of Directors, and a team of Admin, Management, and organizational staff. We also offer retail services like the Odyssey Market, Station Express, and Gateway Food Truck.

Know the Difference:

Saitsa*

vs

SAIT

► Student Led

Saitsa is a student-led entity with our own governing body consisting of members of the SAIT student body who provide strategic direction for our organization.

► Advocating for You

As a separate organization, we are able to advocate and publicly speak to and support causes, conduct research, develop positions, and meet with officials on matters that affect SAIT students.

► A Resource Hub

Saitsa-run locations like the Resource Centre and the Peer Support Centre offer a wide range of student programming and services, addressing food insecurity, enhancing student wellness, and beyond.

► Community Builder

We independently offer a variety of events, clubs, and leadership experiences, fostering an environment for community building, networking, and an enriched student experience.

► Opportunity Provider

We present both paid and volunteer opportunities to help you gain valuable work and life skills outside the classroom.

► The Institution

SAIT is an educational institution responsible for delivering your academic curriculum. They manage course registration, tuition, and other administrative tasks related to your education.

► Your Educator

They provide the coursework, instructors, and other academic resources necessary for your education.

► Academic Supporter

SAIT offers services like libraries, labs, study rooms, academic advising, and career counselling to aid your learning process.

► Campus Manager

They maintain the physical campus where your classes take place, including buildings, labs, classrooms, and common areas.

► Career Connector

They provide career services and job placement assistance, helping you transition from the classroom to your chosen profession.

Bottom Line?

While both Saitsa and SAIT are integral parts of your student experience, **it's important to understand that we are separate entities**, each with distinct roles and responsibilities.

Saitsa is a student-led organization, dedicated to advocacy, support, community building, and providing opportunities for students outside of academic pursuits. **We work on your behalf** to ensure your voice is heard, your needs are met, and your student experience is enriched.

On the other hand, SAIT is your educational institution. They are responsible for delivering your academic program, providing academic support, handling administrative tasks, and maintaining the physical campus where your classes take place. **While we often work closely together**, our roles and functions do not overlap, **ensuring a broad and comprehensive support system for students**.

Invest in Saitsa... Invest in Yourself

Every dollar you spend at Saitsa operations is re-invested into Saitsa services, programming and events including the Tedi Market, Emergency Food Fund, Wellness Bank, Student Awards, and more.

We can't say what happens to your money when you visit non-Saitsa operations, all we know is that a sweet treat or delicious beverage from the Station Express or Odyssey Market tastes twice as sweet knowing that the money you spend comes right back to you!

Governance

About the Association

Within Alberta, all student associations and unions are regulated by the Post-Secondary Learning Act; section 95(1). The act prescribes that Saitsa is managed by a board who is elected by and from the members of the association.

Saitsa is governed by student representatives who are elected each year. Saitsa's success is tied directly to these dedicated students. Our Board meets regularly and invites students to attend their meetings to see governance in action. For more information on elections and the Board, you can visit [Saitsa.com/Elections](https://saitsa.com/Elections)

Board of Directors (BOD)

The BOD is a group of elected student officials, they are elected in the Winter semester and commence their one-year term in May that following Spring. The Board provides ongoing ownership linkages with the student body, sets organizational policy in accordance with ownership needs, and provides oversight of operational compliance with policy. Within the Board, they internally elect a President and Vice-President; these positions are the chief and deputy chief representatives and advocates for the student body and are the leaders of the Board.

All About Our Fees

What's With the Fees?

Our goal is to serve you, the students. We do this by collecting membership fees, which are utilized to advocate for your rights, and to provide quality services and programs to students outside of the classroom. The Post-Secondary Learning Act grants authority to Saitsa to collect fees in order to fulfill its mandate to represent and serve students.

Who Pays Fees?

Most full and part-time students, apprentices, and some earned revenue students pay Saitsa membership fees. The actual fee assessment depends on the number of credit hours or apprentice weeks in which a student is enrolled

Our audited financial statements and more information about how your fees work for you, can be found at:

✳ [Saitsa.com/Fees-and-Financials](https://saitsa.com/Fees-and-Financials)

Fees Are Divided into Three Funds:

General Fund (\$86/semester) Established to be Saitsa's operational fund. All of the business operations, administrative, and event expenditures of the Association are transacted through this fund. Operating funds are predominantly provided by student fees as determined by the Saitsa Board of Directors.

Restricted SA Building Fund (\$60/semester) Established to accumulate funds to provide for the purchase or development of a student, non-academic building or space. Students provide the direction for expenditures of the fund via a referendum process. Revenue is allocated from Student Fees as determined by the Saitsa Students Board of Directors.

Health and Dental Plan Fund

(Health: \$91/semester)

(Dental: \$84/semester)

SAIT collects these fees on behalf of the Association, and are deposited in the fund, from which all contributions are paid to the benefits provider to adjudicate health and dental claims for the students. Contributions paid to the benefits provider are adjusted based on actual usage of the plan and any surpluses or losses at the end of the fiscal year will be reflected in the Health and Dental Plan Fund.
