GOVERNANCE & ADVOCACY

A LETTER FROM YOUR PRESIDENT

DEAR SAIT STUDENTS,

There is something special about the start of a new academic year. Every hallway is filled with new faces, new goals, and new possibilities. Whether this is your first day at SAIT or your final year, I'm excited to welcome you to a community driven by curiosity, ambition, and resilience.

My name is **Veer Rajgor**, and I have the privilege of serving as your SAIT Students' Association (Saitsa) President.

As your Students' Association, our role extends beyond organizing events and services, we are your voice. We advocate for the issues that matter, work alongside SAIT to enhance the student experience, and strive to ensure every student has the opportunity to succeed. This year, our Board of Directors is focused on advancing affordability, expanding career opportunities, and strengthening accessibility and student support.

VEER RAJGOR
Saitsa President

I encourage you to make the most of your time at SAIT. Join a club, attend an event, volunteer, meet new people, and embrace opportunities that challenge you to grow. Some of the most meaningful lessons you'll learn won't come from a classroom, but from the experiences and connections you build along the way.

Thank you for trusting us to represent you. **Welcome to SAIT, let's make this year count, together.**

GOVERNANCE

ABOUT THE ASSOCIATION

Within Alberta, all student associations and unions are regulated by the Post-Secondary Learning Act; section 95(1). The act prescribes that Saitsa is managed by a board who is elected by and from the members of the association.

Saitsa is governed by 9 student representatives who are elected each year. Saitsa's success is tied directly to these dedicated students. Our Board meets regularly and invites students to attend their meetings to see governance in action. For more information on elections and how to join the Board, you can visit [Saitsa.com/Elections](https://saitsa.com/Elections)

BOARD OF DIRECTORS

The Board of Directors (BOD) is composed of student representatives elected during the Winter semester. Their one-year term begins the following Spring (May). The Board provides ongoing ownership linkages with the student body, sets organizational policy in accordance with ownership needs, and provides oversight of Saitsa's operational compliance with its own policies. Within the Board, they elect a President and a Vice-President; these positions are Saitsa's Chief Governance Officers, as well as SAIT Board of Governors Student Representatives.

REGULAR BOARD MEETING ATTENDEES & SUPPORT

Board Advisor

This appointed position supports the Board's governance by acting as a parliamentarian and experienced governance resource for the President, Vice-President and Board as a whole.

Chief Executive Officer

The Chief Executive Officer is responsible for Saitsa's management and day-to-day operations in accordance with organizational policies and strategic direction set by the Board.

Governance Staff

The Saitsa Governance & Advocacy staff support the Board through administrative functions, advocacy, and ownership linkage activities, while also ensuring that elections are fair, transparent, and accessible.

FEES & FINANCIALS

FEE BREAKDOWN

WHAT'S WITH THE FEES?

Our goal is to serve you — the students. We do this by collecting membership fees, which directly support our ability to advocate for your rights and deliver high-quality services and programs beyond the classroom. These resources help us create meaningful experiences and ensure your voice is heard. Under the Post-Secondary Learning Act, Saitsa is authorized to collect these fees in order to fulfill its mandate to represent and support the student body effectively.

WHO PAYS THE FEES?

Most full-time and part-time students, as well as apprentices, pay Saitsa membership fees. The actual fee assessment depends on the number of credit hours or apprentice weeks in which a student is enrolled.

For our audited financial statements and more information about your student fees, visit:

★ [Saitsa.com/Fees-and-Financials](https://saitsa.com/Fees-and-Financials)

Each Fee Collected Once Per Academic Term:

\$156* Student Association Fee *(\$17.34/Credit) <i>Fees are paid per credit to a maximum of \$156 per academic term.</i>	Helps fund advocacy, student support, and engagement opportunities throughout the year. It ensures students have access to helpful resources, vibrant events, and meaningful ways to get involved. The fee also supports spaces and initiatives that enhance life outside the classroom.
\$97 Dental Fee	Gives students access to a dental benefits plan designed to make routine and unexpected dental care more affordable. It helps cover costs like check-ups, cleanings, and other eligible dental services.
\$104 Health Fee	Provides students with access to a comprehensive health benefits plan. It helps cover the cost of medical services not included in provincial healthcare.
